

Airlie Beach, Australia

Airlie Beach is your gateway to the Whitsunday Archipelago. These 74 islands feature pristine fringing reefs, calm, lagoon-like waters, and superb beaches. The archipelago is one of Australia's premier playgrounds.

The Whitsundays were once mountains. Rising seas at the end of the Ice Age formed the Whitsunday Passage between the islands and the mainland.

1 Great Barrier Reef - outer reef

The Great Barrier Reef is one of the world's stunning wonders. Half the size of Texas, it can be seen from outer space, and boasts 2,900 individual reefs, 600 continental islands and 300 coral keys.

2 Whitsunday Island - cruises

The Whitsunday Passage is home to many pretty islands. Cruise past secluded beaches and coves, discovering magnificent marine life and corals, as you explore either Black Island or Hook Island.

3 Whitsunday Island - resorts

Daydream Island is one of the most spectacular resort in the Whitsunday Islands, offering snorkeling, banana-boat rides, white-sandy beaches and the world's largest, man-made coral reef lagoon.

4 Proserpine River & Crocodile

The Proserpine River is a unique eco-system boasting wetlands and mangroves, which are home to many species of birds, mammals and over 150 estuarine crocodiles, known locally as 'salties'.

5 Proserpine Museum

The Proserpine Historical Museum chronicles the history of the sugar and cattle industries in the Whitsundays. View an authentic steam locomotive that worked the sugar cane fields in the 1920's.

6 Whitsunday Gold Coffee Plantation

The coffee industry in the Whitsunday Islands flourished in the late 1880's and remains the number one drink. The Whitsunday Gold Coffee Plantation now farms 35 hectares of premium Arabica coffee.
