

## Charlottetown, Canada

While Prince Edward Island is Canada's smallest province in terms of area and population, it more than makes up for this with the friendliness of its people, its natural beauty, and for being known as the birthplace of Canada.

The island's landscape is dramatic and features rolling hills, pristine forests, reddish-white sand beaches, ocean coves and the famous red soil. The capital of Charlottetown offers a small town feel and a relaxed atmosphere with a cosmopolitan flair. The town has evolved into a dynamic city without sacrificing its historic charm. One certainly cannot think about Prince Edward without mentioning the author Lucy Maud Montgomery who once lived on PEI and drew inspiration from the land during the late Victorian Era for the setting of her classic novel "Anne of Green Gables." PEI also has another claim to fame with the Confederation Bridge built in 1997. The world's longest bridge over ice-covered waters provides a connection from PEI to the mainland Canada.

### 1 Charlottetown

Pretty Charlottetown is both the largest city and the provincial capital of Prince Edward Island, featuring many historic buildings, as well as a delightful harbor and lively shopping district.

### 2 Green Gables National Historic Site

Green Gables, the 19th century farm located in Cavendish, was the setting and inspiration for Lucy Maud Montgomery's much-loved "Anne of Green Gables" novels. Tour the barns, gift shop and farmhouse.

### 3 Prince Edward Island National Park

This stunning national park was created after tourists flocked to Cavendish to view the Green Gables house. It features red sandstone cliffs, beaches and is home to many indigenous species.

### 4 Silver Bush & Anne of Green Gables Museum

The Anne of Green Gables Museum at Silver Bush, is set on a stunning 110 acres, and as well as the museum, visitors can stroll around the flower garden, and enjoy views of the Lake of Shining Waters.

### 5 Blue Heron Scenic Drive

The picturesque Blue Heron Drive, named after the island's herons, stretches along the scenic beaches of the North Shore, through the National Park and by the island's red sandstone cliffs.

### 6 Victoria-by-the-Sea

Victoria-by-the-Sea, is a haven for many artists, and its tree-lined streets are a pleasure to stroll along, as you shop for gifts. There's also a chocolate factory, and a picturesque lighthouse.

### 7 Montague River

This breath-taking river is home to harbor seals, grey seals, and native seabirds and eagles, as well as lobster traps, and mussel farms - a vital part of Prince Edward Island's fishing industry.

### 8 North Rustico

This stunning harbor and beach on the island's North Shore, was founded circa 1790, and is famous for its spectacular red sandy beaches, rich farming and vibrant fishing community.
