

Rome (Civitavecchia), Italy

Your gateway to the Eternal City, Civitavecchia has served as Rome's seaport since the 13th century. The port has a long and venerable history. The emperor Trajan built a pleasure villa near the modern city, while Bernini and Michelangelo designed the harbor fortifications.

Yet the Eternal City eternally beckons. The ancient capital of the Western World and the center of Christianity for nearly 2,000 years, Rome provides an inexhaustible feast. Visit the ruins of the Forum, view the splendors of the Sistine Chapel, or climb the Spanish Steps, once the heart of Rome's Bohemian Quarter.

Rome has been a magnet luring the world's greatest artists, architects, and philosophers since the days of the Caesars.

1 St. Peter's Square and Basilica

St. Peter's Square is a bustling piazza where the masses receive the Pope's weekly blessings. This ornate square frames the entrance to St. Peter's Basilica, where St. Peter was martyred and buried.

2 Vatican Museums including Sistine Chapel

Rich in religious and cultural significance, The Vatican Museums house one of the most impressive collections of art in the world, including the Sistine Chapel, home to Michelangelo's masterpieces.

3 Colosseum

The grandest of Rome's monuments, the Colosseum was used by Emperors to entertain the public with spectacular games. Built in 1st century AD, the amphitheater is an architectural and engineering wonder.

4 Trevi Fountain

The largest and most famous Baroque fountain in Rome, legend has it that if you turn your back and toss a coin into its aquamarine waters, you are guaranteed to return to the Eternal City.

5 Pantheon

One of the best-preserved monuments in the Eternal City, this magnificent, cylindrical building with 16 towering columns, built more than 1800 years ago, is a truly awe-inspiring look back in history.

6 Spanish Steps

The Piazza di Spagna is the site of Rome's most beautiful stairway, the Spanish Steps. Designed in the Roman Baroque style, its unique butterfly design will charm you with its graceful elegance.

7 Piazza Navona

A celebration of Baroque style, this lively square is situated in the historic center of Rome. Street performers and outdoor cafes surround three intricate fountains that dominate the piazza design.

8 Villa Borghese

Built in the 16th century for Cardinal Scipione Borghese, the restored villa lies at the heart of the Borghese Garden. The villa is home to the Galleria Borghese, which boasts masterworks by Raphael, Titian, Caravaggio and Bernini.
